## Our Academic Options

### Online Education

#### Online Learning Graduation Requirement

The Ontario Ministry of Education has introduced a new graduation requirement for secondary students to complete two online learning credits as part of the 30 credits required for the Ontario Secondary School Diploma (OSSD). It applies to students who entered grade 9 on or after September 1, 2020.

### OSSD Diploma

#### High school graduation requirements

What you need to graduate?  
To earn a high school diploma in Ontario, students must:

- earn 18 compulsory credits
- earn 12 optional credits
- pass the literacy requirement
- earn at least two online learning credits
- complete a minimum of 40 hours of community involvement activities

### Cooperative Education

Cooperative education provides secondary school students with a wide range of rigorous learning opportunities connected to communities outside the school. It is designed to recognize and respond to the diversity of Ontario's student population, and it can engage all students.

### Transfer Opportunity

We have established strategic partnerships with premier schools worldwide, enhancing the educational experience for our students. Our programs extend beyond borders, providing enriching Summer Camps and seamless transfer opportunities across Shanghai, Beijing, Hong Kong, Singapore, and Malaysia.

### Career Training

The career education and training courses equips students with the necessary skills and insights for successful transitions to postsecondary destinations, guiding them to explore specific options aligned with their unique attributes.

### Community Opportunities

Our commitment to community involvement is ingrained in our educational approach, ensuring that every student actively engages in a minimum of 40 hours of impactful activities. By fostering a sense of responsibility and empathy, these experiences not only contribute to the betterment of our communities but also

equip students with valuable skills  
essential for their future academic  
pursuits and careers.

**Markham Secondary School**  
Bright Minds, Global Futures

Markham Secondary School graduates will emerge as empowered, compassionate, and innovative leaders, ready to excel in various sectors globally. Armed with a strong foundation in excellence, resilience, and compassion, our students will make a positive impact on the world, driving positive change and contributing to the advancement of society.
